What is GEET DIVYA KRIYA YOGA?

GEET DIVYA KRIYA YOGA is a series of scientific meditative techniques for God Realization as narrated by Lord Krishna to his disciple Arjuna in the Shrimad Bhagwad Geeta. Lord Krishna in Bhagwad Geeta says that one can shatter all karmic bondages through practice of Geet Divya Kriya and become completely free, roaming in God consciousness. Even the tiniest bit of this Yogic practice can release one from the greatest fear that comes due to sufferings of repetitive cycles of births and deaths. Geet Divya Kriya helps in complete physical, mental and spiritual development of the person and it also helps in curing psychological disorders like depression.

An idle mind is a devil's workshop. This restlessness gives ignorance, delusions and leads to material attachments. The moment the mind is given some constant never ending work it quiets down. To place the mind in the stream of one's own breath constitutes to practicing Divya Kriya. The mind eventually calms down.

Shree Maharishi Bhriku (Top most photo on left) filled with purity and love, the Guru of Lord Vishnu and the attainer of Nirvikalpa Samadhi, the highest goal of a realized Yogi. He was instrumental in compiling the Bhriku Samhita along with Shukracharya (his son and prime disciple) and other key disciples. This Samhita is an astrological treatise written through the strength of Yoga (Yoga bala) containing numerous horoscopes from beginning of Time.

The first picture on the left below Maharishi Bhriku is Maharishi Ved-Vyasa, the author of the great epic Mahabharata. On his right is the picture of the divine daughter of Maharishi Bhriku, Divya Saraswati who is overflowing with divine motherly love, simplicity and wisdom and saturate all who come in contact with her with these divine qualities. Below them is the lineage of Kriya Yoga Masters headed by Mahavatar Babaji who revived the Geet Divya Kriya Yoga in the modern era.
